An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel Sragow on 9/29/2008.

The application has been amended as follows:

Claim 7 (Amended) The method as claimed in claim 1 wherein said second domain comprises a local domestic network of presentation devices.

The prior art does not teach the presentation device receiving from the processing device said first symmetric key encrypted using a second symmetric key and said second symmetric key encrypted using the second secret specific to the second domain with the other limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
